dated 29/12/14

The Engineer -in-Chief,  
IPH Department  
U.S. Club Shimla-9

**Subject:- Regarding provisioning of water supply AFNHB project Kandaghat.**

**Reference:- Your office letter No. IPH-PH-WA-II-Misc.rep./2013-5513-14 dated 5/12/2014**

In this connection, as per report received from the Executive Engineer IPH Division Solan, it is intimated that the scheme named as providing LWSS to housing board colony at Kandaghat the following detail is given under:-

- 1, Pumping machinery has been procured for above said scheme.
- 2 Rising main MSERW pipe has been procured.

It is further added that the land for C/O of civil structure, water treatment plant, pump house, laying of Rising main, construction of storage tank near source at Aswani Khad ~~has~~ has not been handed over to the Department till date by housing board authorities. Effort have been made with the concerned Gram Panchyat but all in vain. It is further added that on dated 9/9/2014 the Pradhan of concerned Gram Panchayat has submitted a resolution for objecting the construction of this scheme from Aswani khad.

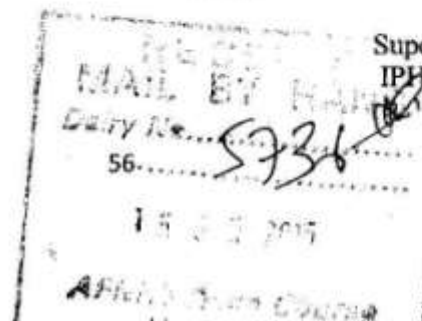

**This is for your kind information please.**
