PARTITION WALL BETWEEN KITCHEN AND STORE FOR TOWER-B

1. Some of the allottees had suggested removal of the partition wall between kitchen and store for making the kitchen more spacious and there by better utilization during their Jaipur site visit. The issue was examined in detail by this HQ, and after considering their valuable input and optimal utilization of kitchen space and store area together, it is proposed to remove the partition wall between kitchen and store in tower -B. This modification will not incur any additional cost from the allottees. AFNHB has followed up on valuable inputs and suggestions to enhance facilities from allottees.

2. Further, suggestions if any on the issue may be forwarded on or before 30 Apr 24.
