

WEB UPDATE – MYSORE PROJECT (12 May 22)

1. Further to the mail addressed to the allottees on 11 Mar 2022.
2. The builder, vide its mail dated 09 Mar 22, had requested the AOA and Chairman to intervene and grant meeting to him. The Chairman had requested him to be present for a meeting on 30 Apr 22. But finally the meeting could taken place on 11 May 22 at AFNHB conference hall. A detailed presentation to AOA was given by AFNHB and all issues raised by M/s GJS and AFNHB were discussed. The firm has been asked to give a schedule for completion of each tower. The builder has requested for time upto 22 May 22 for submission of the same.
3. The other issues raised by the builder regarding discrepancies in the payment and his claim for free open parking for phase II will be looked into by concerned agencies as per the chairman's directives. All efforts are being made to resolve all the hurdles and complete the project at the earliest.
4. As far as security of the project is concerned, as per CA, it is the responsibility of the contractor and he has been directed to do the needful. As of now, security staff is in position.
